Cultured Marble | Double Rectangle Bowl

\$390.00

Cultured Marble is Beautiful – Veining and patterns can be incorporated during the casting process, creating character, depth and interest that mimics its natural counterpart.
 Low Maintenance – Cultured marble never needs to be sealed and is easy to clean with non-abrasive products.
 Durable – Cultured marble is non-porous, making it extremely tough and resistant to stains, mildew and chips.
 Economical – In general, cultured marble is less expensive to fabricate and install than slab marble, but will increase the overall value of a home just as natural stone products will.
